GENERAL INFORMATION

By paragraph (1) of this undertaking the applicant undertakes to accept for a period of two years employment which the Commonwealth Government arranges for him. He will for those two years be employed in the trade or occupation for which he has been selected, or, if not available, in employment of a similar character for which he is suitable.

Paragraph (1) of this undertaking must of course be read with the clear understanding that no applicant whose employment is arranged by the Commonwealth Government will be offered work for which the wages and conditions are less favourable than those prescribed for Australian workers under industrial awards and agreements covering the occupation concerned.

If the original offer of employment is not acceptable to the applicant or the initial placement in employment proves unsuitable, he will have the right to apply to the Commonwealth Government to arrange other employment in the trade or occupation for which he has been selected and this application will be acceded to if the request is considered reasonable and if the employment situation permits.

If the applicant can produce prior to departure an accommodation guarantee for his dependants, duly certified by the Commonwealth Migration Officer in the State concerned, he will be permitted to take advantage of the accommodation and as far as possible he will be placed in employment within a reasonable distance of the accommodation. When he obtains a home for himself after arrival similar arrangements will be made wherever possible.

Applicants who are accepted for passages to Australia under the Australian-Netherlands Governments Passage Agreement are not eligible to apply for or to receive any financial benefits under the Ex-Service Men's or any other assisted passage schemes to which the Commonwealth Government contributes.

TOELICHTING OP VERBINTENIS

In artikel (1) van deze verbintenis verplicht de emigrant zich voor een tijdsduur van twee jaren de tewerkstelling te aanvaarden die de Australische Regering voor hem verzorgt. Hij zal gedurende die twee jaren worden tewerkgesteld in het ambacht of beroep waarvoor hij werd geselecteerd, of, wanneer daarin geen werk beschikbaar is, in een werkkring van gelijke aard waarvoor hij geschikt is.

Artikel (1) van deze verbintenis moet vanzelfsprekend zodanig worden verstaan, dat geen immigrant wiens tewerkstelling wordt verzorgd door de Australische Regering, arbeid zal worden aangeboden waarvoor het loon en de arbeidsvoorwaarden ongunstiger zijn dan die voor Australische arbeidskrachten voorgeschreven op grond van loonregelingen en overeenkomsten het betrokken beroep betreffende.

Wanneer de aanvankelijke tewerkstelling voor de immigrant niet aanvaardbaar is of deze tewerkstelling ongeschikt blijkt te zijn, heeft de immigrant het recht de Australische Regering om herplaatsing te verzoeken in het ambacht of beroep waarvoor hij werd geselecteerd en dit verzoek zal worden ingewilligd wanneer het als redelijk wordt beschouwd en de situatie op de arbeidsmarkt dit toelaat.

Wanneer de emigrant voor zijn vertrek een huisvestingsgarantie voor zijn gezin kan tonen, volgens voorschrift door de Australische Immigratie Autoriteiten van de betrokken staat gelegaliseerd, dan zal hij van deze huisvesting gebruik mogen maken en voor zover mogelijk op een redelijke afstand van de betrokken plaats worden tewerkgesteld. Wanneer hij na aankomst in Australië huisvesting vindt, dan zullen waar mogelijk gelijke regelingen worden getroffen.

Zij die naar Australië emigreren in het kader van de Australisch-Nederlandse emigratieovereenkomst kunnen geen aanspraak maken op een uitkering volgens het ex-service menscheme, noch op enige geldelijke vergoeding die door de Australische Regering wordt uitgekeerd uit hoofde van andere emigratie schema's.
